Plasterer (Multi-skill)

Team	Salary
Location Based Service	£34,417
Team responsibility	**Line manager**
No line management responsibilities	Maintenance Team Leader

The job in a nutshell

This role contributes to the Beyond Housing strategic goal to provide affordable homes where people feel safe and secure.

You will do this by working within our customers' homes to diagnose and carry out all aspects of plastering both internal and externally. You will also carry out all other minor building works (including guttering and tiling jobs) as required aiming to achieve first time fixes and minimise the number of visits required, taking ownership of resolving issues and delivering on our customer promises.

Duties and Responsibilities

- Carry out all repairs, maintenance and application tasks (both internal and external) related to the plastering trade function.
- Ensure all activities are carried out in accordance with organisational policies, procedures, relevant legislation and regulatory requirements, completing all necessary documentation, and promptly return completed documentation to the Team Leader.
- Deliver service in accordance with our Repairs and Maintenance Operating Standards.
- Provide the service to the customer in line with the Company's Customer Standards and Quality Standards.
- Be responsible for compliance with Health & Safety Legislation, our Health & Safety management system, fand the safety of yourself, your colleagues, customers and the public.
- Ensure the maintenance and security of plant machinery and vehicles as and when required.
- Champion continuous improvement by identifying opportunities to improve customer experience and increase customer satisfaction and trust.
- Ensure all activities are carried out in accordance with organisational policies, procedures, relevant legislation and regulatory requirements.

The above is not an exhaustive list of duties and the role holder will be required to undertake any other reasonable duties in line with the purpose and grading of the role.
