

Bricklayer

Team Property	Salary Band 20 £30,558
Team responsibility No line management responsibility	Line manager Repairs Team Leader

The job in a nutshell

To support our mission to provide homes that customers want, in places that they are proud of by working within our customers' homes to diagnose and carry out all aspects of minor and major bricklaying and wet trade related repairs. Working to a high standard and aiming to achieve first time fixes where possible. To carry out all other minor building work required related to the trade.

Duties and Responsibilities

- Carry out all repairs, maintenance and application tasks, both internal and external, related to the bricklaying trade function.
- Ensure all activities are carried out in accordance with relevant Risk Assessments, Legislation and best practice, complete all necessary documentation, and promptly return completed documentation to the Team Leader.
- Deliver service in accordance with the Company's Repairs and Maintenance Operating Standards. Provide the service to the customer in line with the Company's Customer Standards and Quality Standards.
- Be responsible for compliance with Health & Safety Legislation, company Health & Safety management system, for the safety of yourself, your colleagues, customers and the public.
- Ensure the maintenance and security of plant machinery and vehicles as and when required. The above list is not an exhaustive list of the duties required. You will be required to undertake any other reasonable duties in line with the purpose and grading of the role. Where other duties are required from a different trade in addition to the above, and where appropriate training has been completed and competency assessed, an appropriate allowance may be paid.

The above is not an exhaustive list of duties and the role holder will be required to undertake any other reasonable duties in line with the purpose and grading of the role.
