

Electrician

Team	Salary
Location based	£39,783
Team responsibility	Line manager
Apprentice Electricians	Electrical Team Leader

The job in a nutshell

This role contributes to the Beyond Housing strategic goal to provide affordable homes where people feel safe and secure.

You will do this by carrying out repairs, installations and EICR's to void and occupied properties, providing an excellent standard of work and customer service. This role plays a key part in our mission to provide homes that our customers want by working within our customers' homes to diagnose and carry out repairs always aiming to achieve first time fixes.

Duties and Responsibilities

- Carry out electrical works to predominantly void properties and occupied properties as and when required.
- Be responsible for compliance with Health and Safety Legislation for your own safety and also that of your colleagues, customers and general public.
- Carry out works in accordance with relevant risk assessments, legislation and best practice.
- Complete Electrical Certification to the satisfaction of Company QS.
- Make sure correct materials are used and van stock replaced as required.
- Attend Training sessions as and when required.
- Training of Electrical Apprentices and occasionally Work Experience placements.
- Be part of the Company 'On Call' rota.
- Carry out Multi Skill tasks in accordance with relevant job role (if applicable).

The above is not an exhaustive list of duties and the role holder will be required to undertake any other reasonable duties in line with the purpose and grading of the role.
